

## THE ULTIMATE LOCATION

*Eight privately owned boat slips complete the charming, marina-like setting against the tropical backdrop of the waterfront.*

Grande Riviera claims Sarasota's ultimate location with its most prominent position on the southern end of Golden Gate Point. Curving gracefully into Sarasota Bay, the sleepy peninsula is a private island of its own a half-mile from The Ritz-Carlton and moments from all the cultural riches of downtown. From the coveted vantage point, residents of Grande Riviera are wrapped in a dazzling culmination of vistas embracing the city skyline and marina, the sun-washed isles of Siesta, Bird and St. Armands Keys, the Intercoastal, the Bay and shimmering wisps of the Gulf of Mexico stretching endlessly beyond view.
